

Please keep K-Love on the air in my area. They are broadcast through 91.1 FM out of KLDV in Denver.

It is so wonderful to have this family-friendly radio station available to our family. They provide a great service to me as a parent and to my children.

I do not want K-Love's broadcasting in my area (Fort Collins, Co) impeded by LPFM broadcaster sending out other programming.

K-Love serves the public interest because they provide a rich variety of contemporary christian music and news. There are few other choices available to families like us who desire wholesome programming.
